

Precision Series® InnRoom Recycler

The best-selling Stainless Steel InnRoom Recycler Container is a compact, dual-purpose recycling bin and trash container in one sleek package. Two liners allow for the convenient disposal of both recycling and trash. The included decal set (Trash, Aluminum, Paper, Glass, Plastic, Organic, Recycle and Mixed) allows you to personalize your container for easy waste identification.

Hygienic surfaces have no pores to harbor dirt or bacteria

Two liners allow for recycling or trash discards to be conveniently separated

Fingerprint-resistant material keeps this decorative design looking attractive

Stainless steel container with matte finish, constructed from recycled heavy gauge 304-grade steel

The rubber base ring keeps this unit from tipping easily and helps protect floors
